

PROJECT UPDATE

SEPTEMBER 13, 2021

OC Public Works

EAST GARDEN GROVE-WINTERSBURG CHANNEL PROJECT

Warner Avenue to Goldenwest Street, Huntington Beach

Current Stats

OC Public Works is on the job and making progress in the East Garden Grove-Wintersburg Channel. We're working to improve flood control protection for your community.

50%

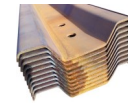

Sheet Pile Driving

Construction is now 50% complete and the Project is on schedule to finish by Summer 2022.

16,210
LINEAR FEET

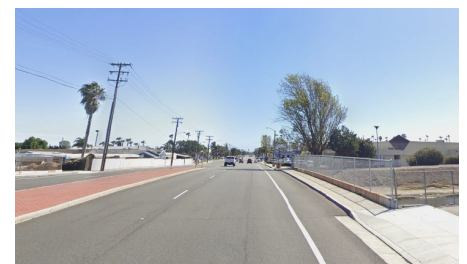

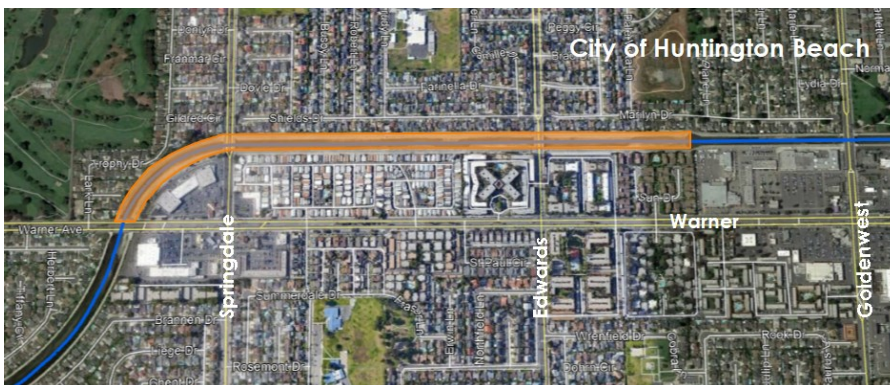

Sheet piles are driven into the ground to fortify the levee and increase flood capacity.

So far, we've installed 16,210 linear feet of sheet piles, weighing more than 13,750 tons!

Ongoing Activities

- Soil improvements
- Excavation within the flood control channel
- Drainage improvements between channel/levee and private properties

Project Area

Roadway Alert!

Edwards St and Springdale St Bridge Closures:

Upcoming activities will require **temporary traffic detours** around Edwards St and Springdale St bridges from late September to October. See opposite side of this update for details.
