

CONSTRUCTION ALERT: TEMPORARY BRIDGE CLOSURES, DETOURS

OC Public Works

EAST GARDEN GROVE-WINTERSBURG CHANNEL PROJECT

Warner Avenue to Goldenwest Street, Huntington Beach

Roadway Alert! Upcoming Bridge Closures to Allow Flood Control Channel Improvements

Closure 1: Edwards St. bridge immediately north of Warner Ave.

November 1-15, 2021

Closure 2: Springdale St. bridge immediately north of Warner Ave.

November 29 - December 10, 2021

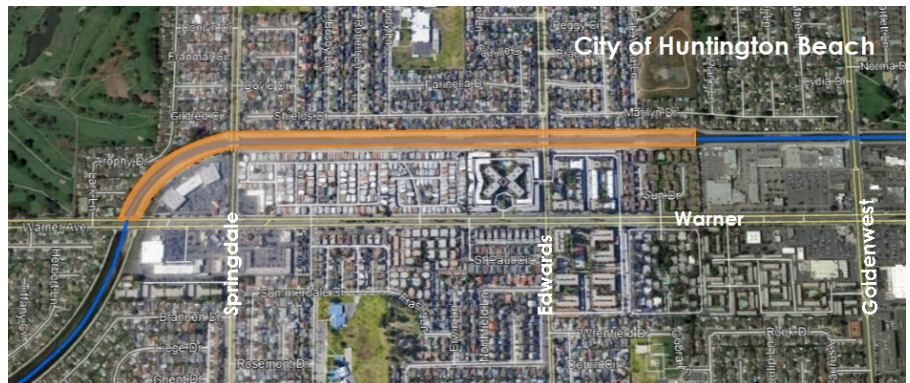

Note: No project work will occur on holidays

Detours: These upcoming activities will require **temporary traffic detours** around Edwards St and Springdale St bridges. **See opposite side of this update for locations.** We apologize for any inconvenience while this critical work is completed.

Ongoing Project Activities

- Soil improvements along flood control channel
- Excavation within the flood control channel
- Drainage improvements between channel/levee and private properties
