

CONSTRUCTION ALERT: TEMPORARY BRIDGE CLOSURE, DETOURS

OC Public Works

EAST GARDEN GROVE-WINTERSBURG CHANNEL PROJECT

Warner Avenue to Goldenwest Street, Huntington Beach

Roadway Alert! Upcoming Bridge Closure to Allow Flood Control Channel Improvements

Bridge Closure Location and Dates:

Springdale Street bridge immediately north of Warner Ave.

November 29 through December 17, 2021

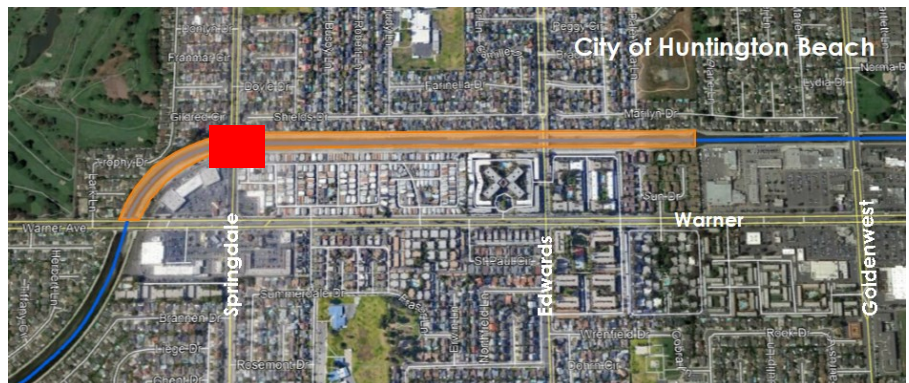

Detours: This upcoming activity will require **temporary traffic detours** around the Springdale Street bridge. **See opposite side of this update for locations.** We apologize for any inconvenience while this critical work is completed.

Ongoing Project Activities

- Soil improvements along flood control channel
- Excavation within the flood control channel
- Drainage improvements between channel/levee and private properties

 **Springdale Bridge Location**

 **Overall Project Area**
